

Parking Registration Form University Preparatory Academy

In order to maintain a safe environment for all of the community, we are asking all drivers to register their vehicle. The following form is due to the main office on or before **Friday, September 17th** at which time you will receive your parking permit sticker if you haven't already. Please place this sticker in a visible place on the rear of your vehicle. Students that fail to register their vehicle will risk losing the privilege of parking on campus. Parking is only permitted in the white outlined spaces provided. Any vehicle parked outside of the designated spaces will no longer be able to park on campus. Be reminded that the speed limit on 80th street and anywhere on campus is 10 mph. Please help us keep our campus safe by being a responsible, attentive driver. Any questions about parking, please direct to Ms. Pettiford.

Name of Student Driver _____ Make of Vehicle

Model of Vehicle _____ License Plate #

University Prep Parking Pass # _____

Signature of Student Driver
